MEET THE VISIONARIES BEHIND PANELUX

Nestled in the heart of Calgary, PANELUX was born as an innovative extension of our mother brand, Parker&Rome. Our founders, driven by a passion for creating spaces that not only look good but feel good, envisioned PANELUX as a solution to the growing need for acoustic comfort in modern living and working environments.

WE HELP YOU CREATE YOUR SANCTUARY

We're not just transforming spaces—we're enhancing the quality of your life, one panel at a time. Our premium acoustic wood wall panels are designed to create environments that are comfortable, peaceful, and cozy, turning your home or workspace into a modern sanctuary.

PREMIUM QUALITY, UNBEATABLE VALUE

PANELUX was born out of a desire to transform any space into a peaceful sanctuary. In a noisy, cluttered world, we offer more than just eye-catching designs; we provide acoustic comfort through premium, eco-friendly materials. Our panels are a harmonious blend of quality, value, and aesthetic appeal, designed to offer you a lifestyle upgrade centered on comfort and luxury.
